

# Full title

Author Name

Department of Economics  
The University of Texas at Austin

July 27, 2020

# Outline

- 1 Text and Formula
- 2 Section Page
- 3 List
- 4 Figures and Tables
- 5 Blocks

Texts written here, and formulas in the following:

$$a^2 + b^2 = c^2$$

## Section 2

### Section Page

# Item List

- The first item
- The second item
- The third item
- The fourth item

# Enumerate List

- ① The first item
- ② The second item
- ③ The third item
- ④ The fourth item

# Figure

# Table

Table: Caption here

<b>column 1</b>	<b>column 2</b>	<b>column 3</b>
line 1	data	data
line 2	data	data

## Block Name

block / theorem / lemma / proof / corollary / example / alertblock

First column text and/or code

Second column text and/or code
